## Compact and intelligent MFP for the busy workgroup

ES5460 MFP is a compact, smart and extremely reliable 4-in-1 device that will integrate seamlessly into any office and network environment, delivering real productivity gains from the word go. A true MFP that is capable of producing vibrant colour and precise mono printing and copying. And dual access allows documents to be faxed or scanned even when the machine is busy.

Fantastic print quality and performance is complimented with economies and efficiencies way beyond the ordinary. High capacity toners, duplex printing and excellent media handling promise to make the most of your budget and increase productivity for the cost-conscious workgroup.

### Designed for fast, efficient working

- Quick colour output of 20ppm and fast, sharp mono output of 32ppm
- Multi-tasking capabilities support greater productivity for the busiest of workgroups

### Advanced and easy to use print, copy, scan and fax in a single compact device

- Direct scanning to the network, email address or even an FTP site is facilitated without the need for additional software
- Embedded LDAP feature allows integration of this device with a directory server to search contact and email data saving you time and improving speed of document delivery
- An integral analogue fax provides simple and quick communication to popular numbers with one touch operation and speed dial functionality

### Brilliant colour on ordinary office paper

- ProQ2400 Multi-level technology and microfine High Definition Toner significantly improves the detail, colour and finish of copies and prints

### A printer you can trust today and for the future

- High capacity toners, duplex printing as standard and paper handling capacities of up to 930 sheets, make the ES5460 MFP both productive and affordable
- OKI Printing Solutions' single-pass digital LED technology and straight paper path allows maximum system uptime with minimal user intervention

### Be empowered to do more in-house

- The ability to handle a variety of media, including business cards, banners of up to 1.2m long and paper up to 203gsm, makes the ES5460 MFP one of the most versatile multifunction products available
