

# NO FRILLS, JUST OUTPUT!

NOW YOU CAN SIMPLY PASS ON THE PRINTING PRESSURE.  
 THE NEW BENCHMARK IN HIGH PRODUCTIVITY FOR LARGE PRINT JOBS IN  
 COLOUR AND B/W.

Authorised access to all print jobs thanks to the card reader, at any time and anywhere

The intuitive LC display panel: simplicity in its most beautiful form

Great printing results in all formats: from A6R to A3+

## HIGHLIGHTS:

- **Improved cost efficiency:** We ensure a high availability of all processes at any time by reducing actions to the essentials.
- **Diverse range of media:** The paper capacity is impressively high – up to 7,650 pages with paper weights of 60–300 g/m<sup>2</sup> in A6R to A3+ formats from eight paper sources\*. This equips you well for any work environment.
- **Well-organised:** An extremely high output capacity of up to 1,450 pages holds your print jobs cleanly and neatly.
- **High productivity:** When using the finisher\* you obtain almost full productivity.
- **Reliable data protection:** Data encryption and secure deletion of print jobs; access via PIN codes or ID cards, as well as 128-bit AES encryption.
- **Direct printing of PDFs:** Now also available in the current 1.7 version for better printing results (e. g. for transparencies).

Small, but can do big things: The P-C4580DN and P-C5580DN will surprise you with their compact design and high productivity even with different paper weights, whether high-grade brochures\* or folded invoices\*. The mailbox\* guarantees your print jobs will never again get mixed up even at central locations.

Your daily routine is made simple by the intelligent automation. Print jobs are easily stored and sorted using the new document box key. You can call them up again at any time just by pushing a button. The status monitor keeps you informed of toner and paper levels all the time – for perfect printing, always.

The P-C4580DN and P-C5580DN are manufactured in accordance with the requirements of the Energy Star Program.

UTAX GmbH has been a trade mark for professional office technology since 1961. As the partner of specialist traders and small and medium-sized businesses, we specialise in the distribution and integration of printing, copying and multifunctional systems in corporate IT. Our clients' commercial success and strategic company objectives play a central role for us. We support them with integrated document management concepts. With the MDS solution UTAX smart, output systems can be controlled irregardless of the manufacturer and the infrastructure can be optimised in line with demands.

UTAX recommends the use of original UTAX accessories for trouble-free operation of your system. For recommended print media refer to the user manual. UTAX and the UTAX logo are registered trademarks of UTAX GmbH. All other brand names referred to are registered trademarks of the respective manufacturers.
